

# Be a Soaper Hero!

**Soaper  
Man**

Make sure you use soap to scrub away those germs!

Don't scrub hands under the stream of water or it will rinse all the soap down the drain & not do it's job cleaning your hands!

**Water  
Woman**

Remember to start washing your hands by wetting your hands with warm water, then add soap.

After scrubbing for 20 seconds - rinse soap off using warm water!

**Dry  
Boy**

Don't forget to dry your hands after washing!

It's an important step because germs like warm & wet places so make sure your hands are nice & dry.

**Fight your way through the maze to help the Clean Team knock out germs!**
